

ASSIGNMENT SHEET 13

MAGIC KEY TECHNIQUE BOOK Parent Initials

Key: a minor **Magic Keys in this key:** none (no sharps or flats)

LH: *Harmonic minor **RH: *Harmonic minor**

Check assigned: Scales Triads Chord Progression Arpeggios Inversions

Capture the Flag p. 4
 Play the Capture the Flag exercise each day this week. Keep your wrist loose, line up your forearm with the finger that is playing. At the top of each 5-finger pattern be sure to practice your circular motion as you turn and head back down.

Key of a minor p. 26-27 (Tracks 28-33) Play both the natural and harmonic a minor scales with the accompaniment tracks. Also play all the chord exercises and songs for the key of a minor.	Scales	Triads	Chords	Arpeggios	Inversions	Songs

STUDENT SONGBOOK Parent Initials

Surprise Symphony p. 50
 Learn up to measure 8 this week. Play so softly and lightly until you get to the sforzando - then wake up!

Joy to the World, Transposing Exercise p. 70
 Sing the solfège lyrics of the melody as you play this song. Once you are good at playing this in the key of C Major, go through the transposing steps outlined on the songbook page.

William Tell Overture Theme p. 45
 If your rhythm is correct, start speeding up in small increments. See if you can play this "Allegro" by next lesson.

That's How You Make a Minor Scale p. 25
 Play and sing this song each day to help you memorize the magic formula for making ANY minor scale!

Zum Gali Gali: a minor Triads and Performance p. 74-75 (Tracks 56-57)
 If you have the triads mastered, work on playing the Performance version.
